

# P99 | NON-GLARE

PREMIUM ACRYLIC SHEET

OPTIMAL CLARITY.  
ZERO DISTRACTIONS.

Vision Acryglas P99 Non-Glare is the ultimate glazing solution for framing, displays and visual presentators where clarity and visibility matter most.

#### ANTI-GLARE PERFORMANCE

Reduces reflections from any viewing angle for clear, comfortable viewing in any light.

#### EXCEPTIONAL PROTECTION

Shields your artwork and displays, by filtering up to 98% of harmful UV rays.

#### CRYSTAL CLEAR CLARITY

Optically clear with high light transmission for true color and sharp detail.

#### PREMIUM QUALITY ACRYLIC

Durable, lightweight and shatter resistant—ideal for long-term protection and display.
